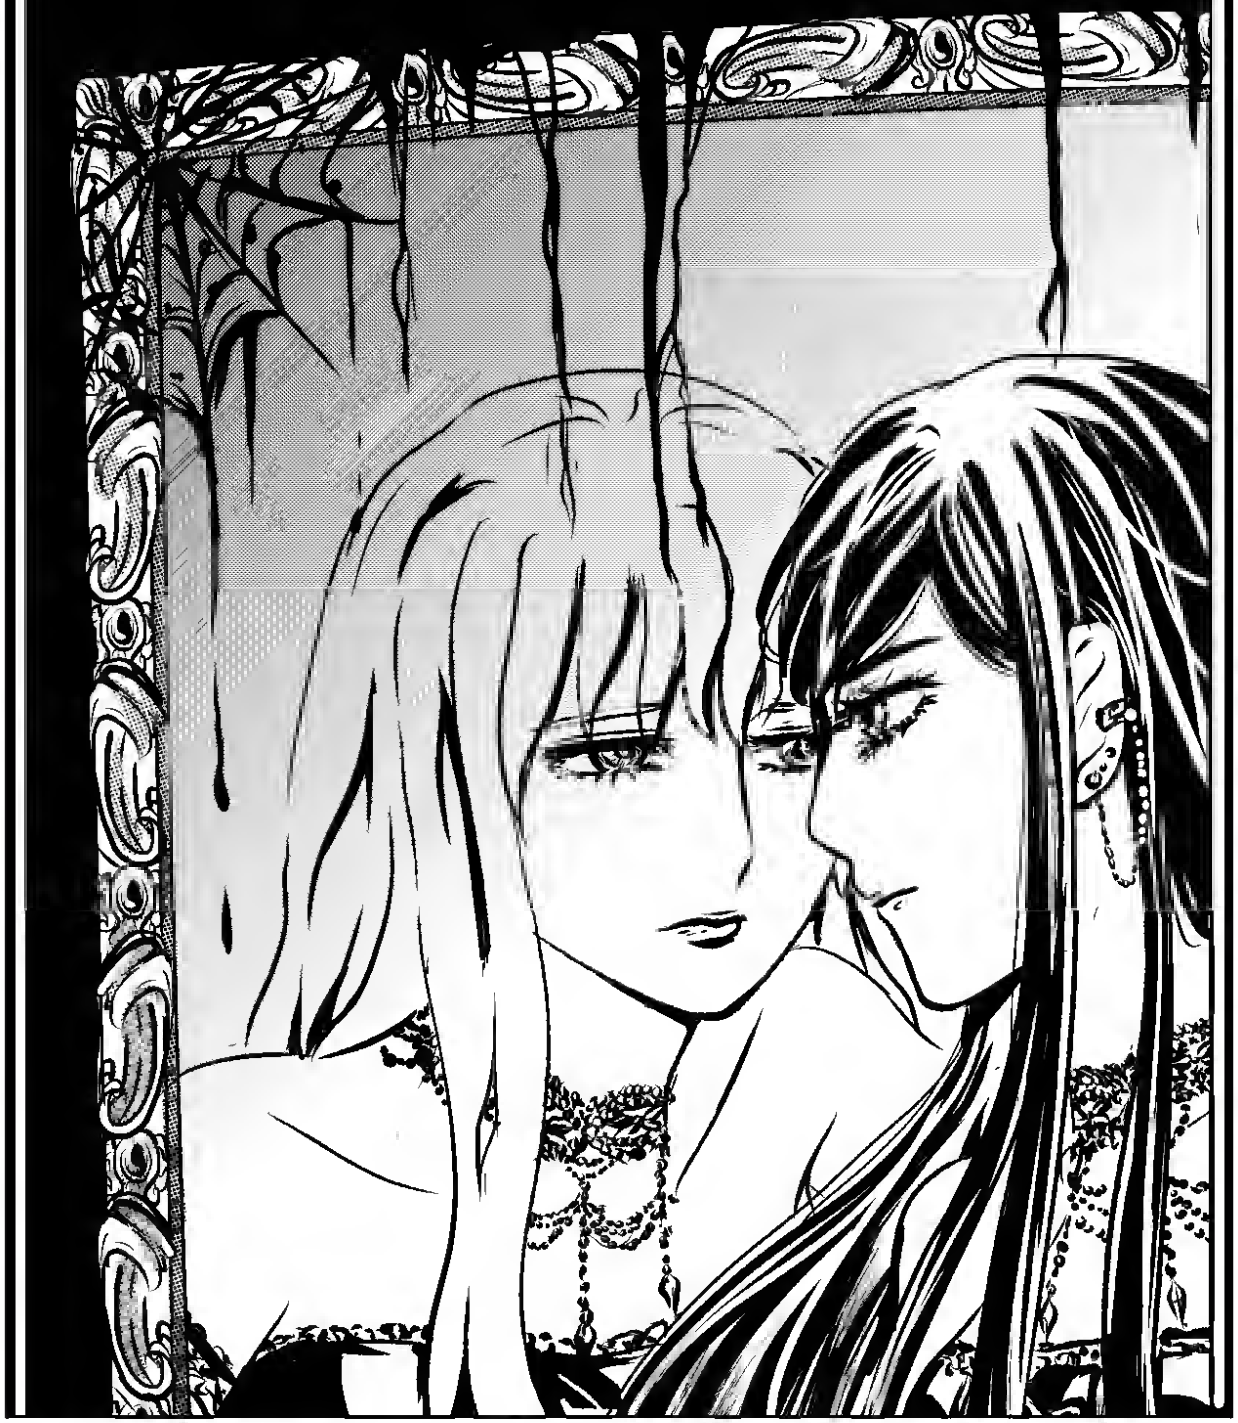
DEATH IS YOUR WISH

Every twinge of sensation, even of agony, was a negation of death.

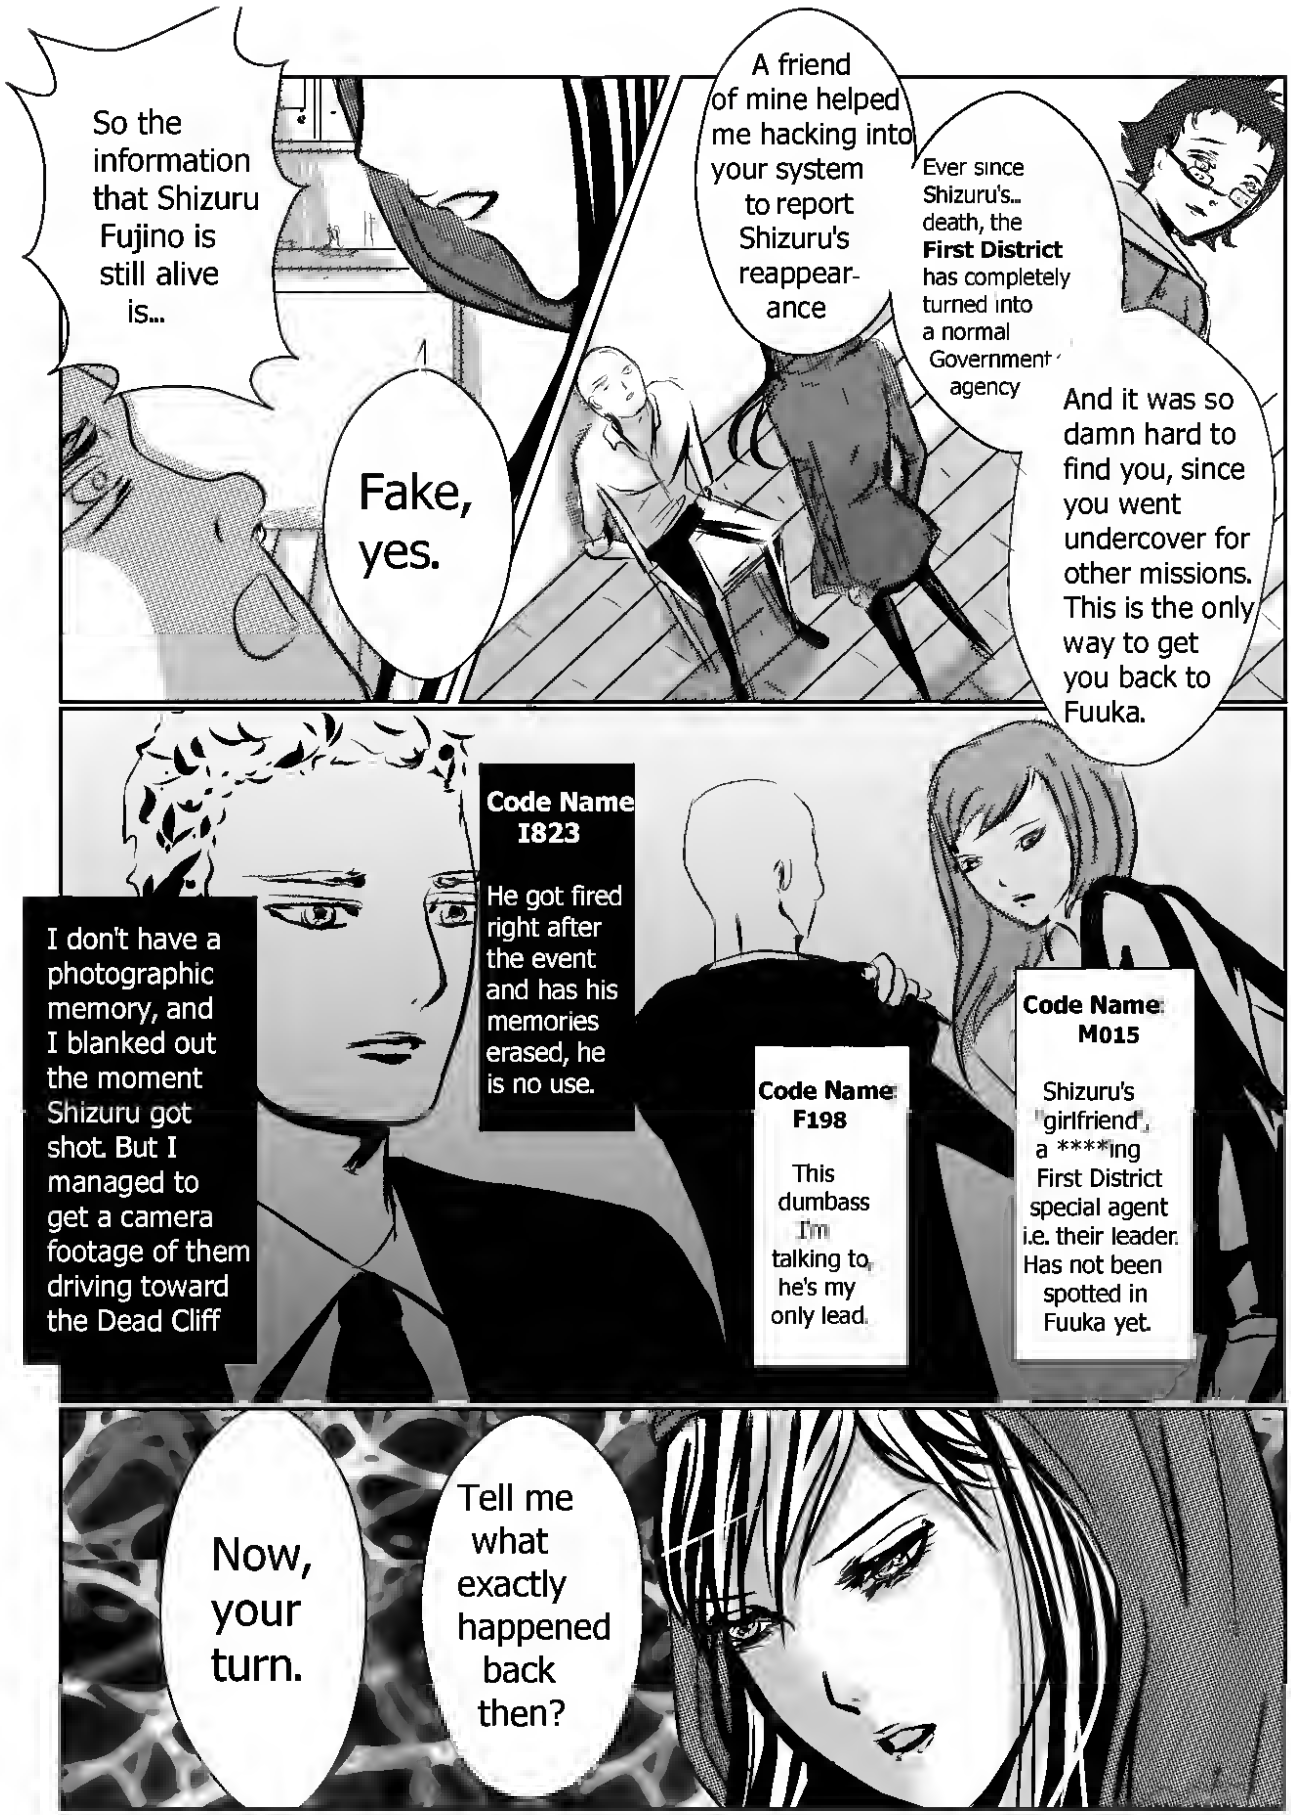
ROBERT E. HOWARD



Nine months later
Ha Ha...
THERE'S NO WHERE TO RUN !!!
YOU'RE GOING WITH ME
SHIZURU FUJINO!

You bitch !
Tranquilizer?!
Dodge

Where am I?
Ah ....
It never stops to amaze me how handy a wig and a pair of contact lenses are.
You are ... W-Why
Don't blame it on the dark night,
just admit your stupidity for not remembering who you KILLED 9 MONTHS 5 DAYS AGO.

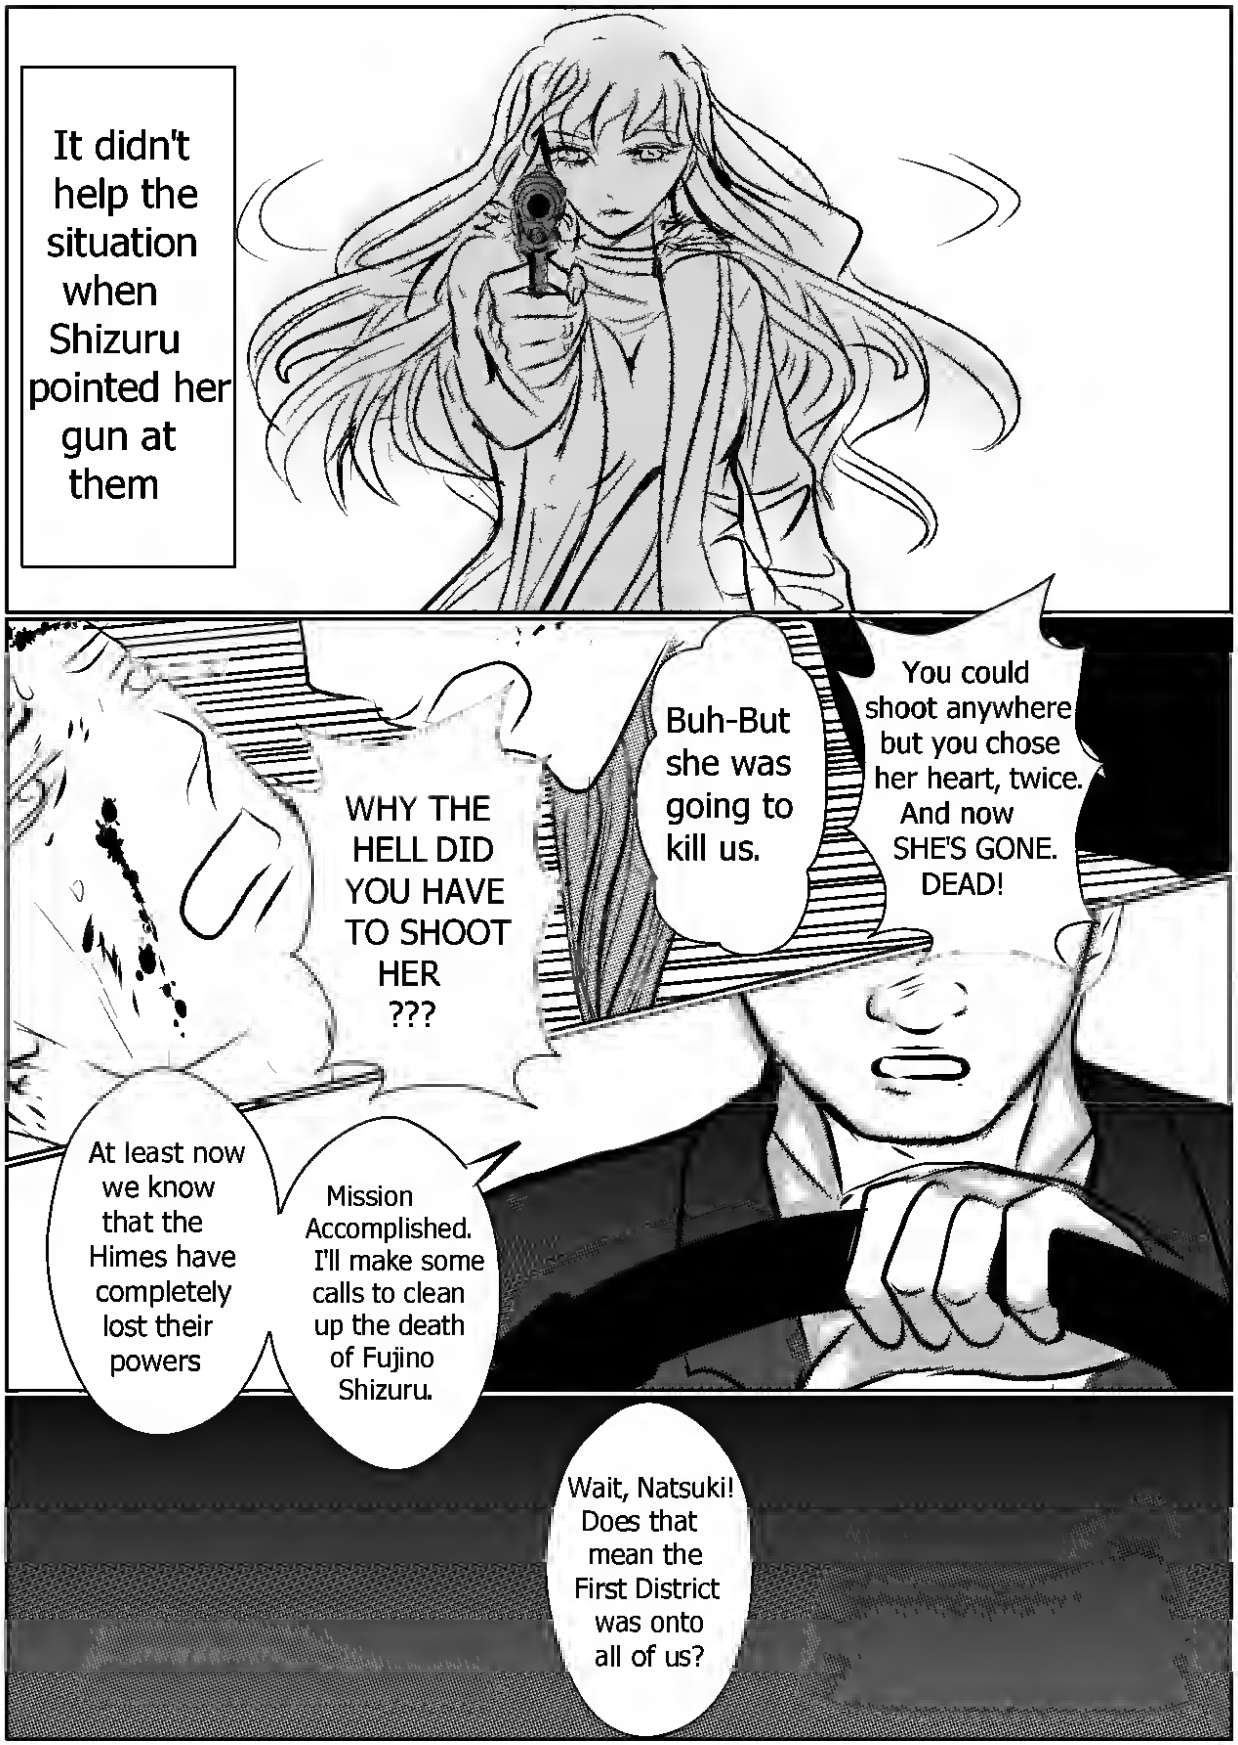


So the information that Shizuru Fujino is still alive is...
Fake, yes.
A friend of mine helped me hacking into your system to report Shizuru's reappearance
Ever since Shizuru's... death, the **First District** has completely turned into a normal Government agency
And it was so damn hard to find you, since you went undercover for other missions. This is the only way to get you back to Fuuka.
I don't have a photographic memory, and I blanked out the moment Shizuru got shot. But I managed to get a camera footage of them driving toward the Dead Cliff
Code Name: I823
He got fired right after the event and has his memories erased, he is no use.
Code Name: F198
This dumbass I'm talking to, he's my only lead.
Code Name: M015
Shizuru's "girlfriend", a ****ing First District special agent i.e. their leader. Has not been spotted in Fuuka yet.
Now, your turn.
Tell me what exactly happened back then?

I'M NOT SAYING A WORD
WHOOSH
STAB
DODGE
She even dodged my bullets before
Her relex is inhumane...
ARGHHH
W-what did you inject into me?

Truth serum, you should be glad that you had it in your jacket, or else,...
SPEAK NOW BEFORE I LOSE MY PATIENCE

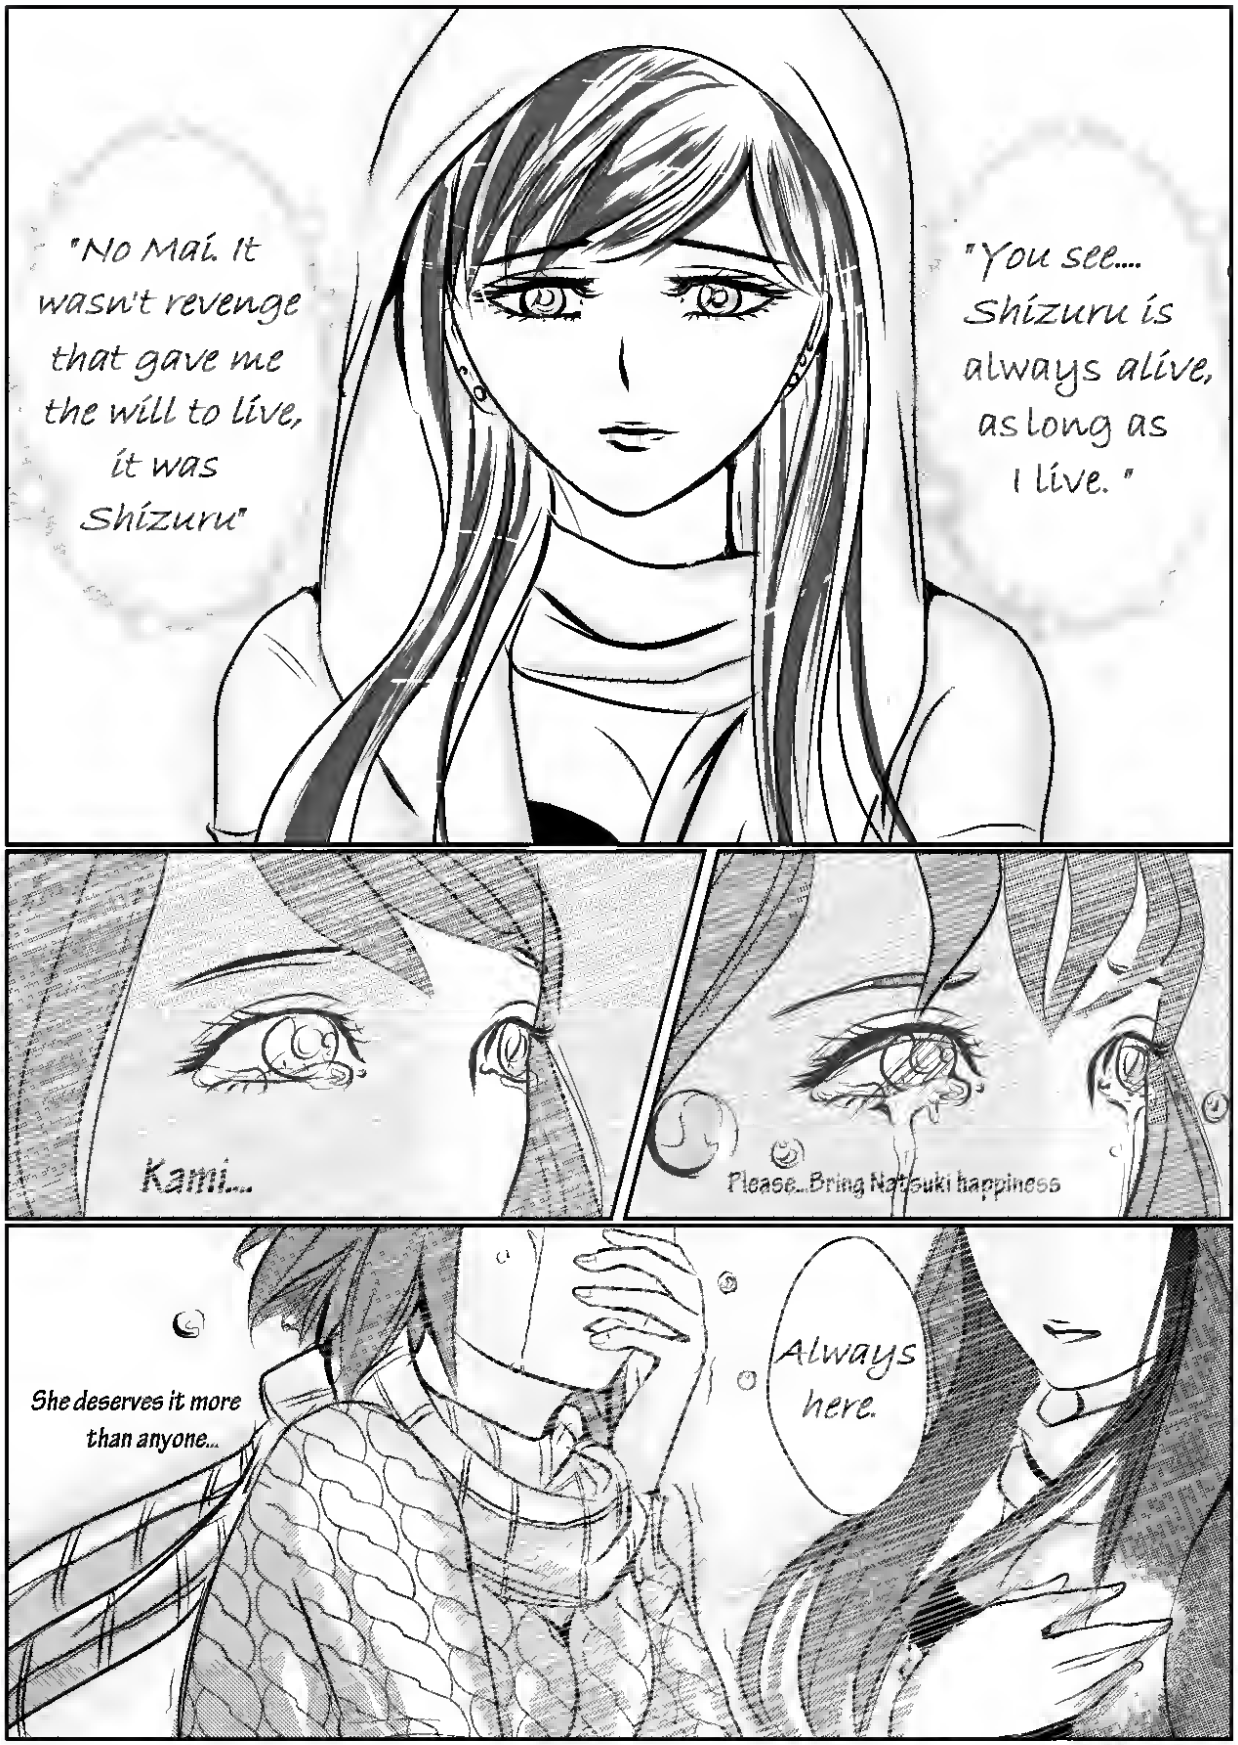
NATSUKI
What did he say?
I823... He has been very nervous even before meeting Shizuru. She killed him before
Step in the car! Don't you think you can run away from us,



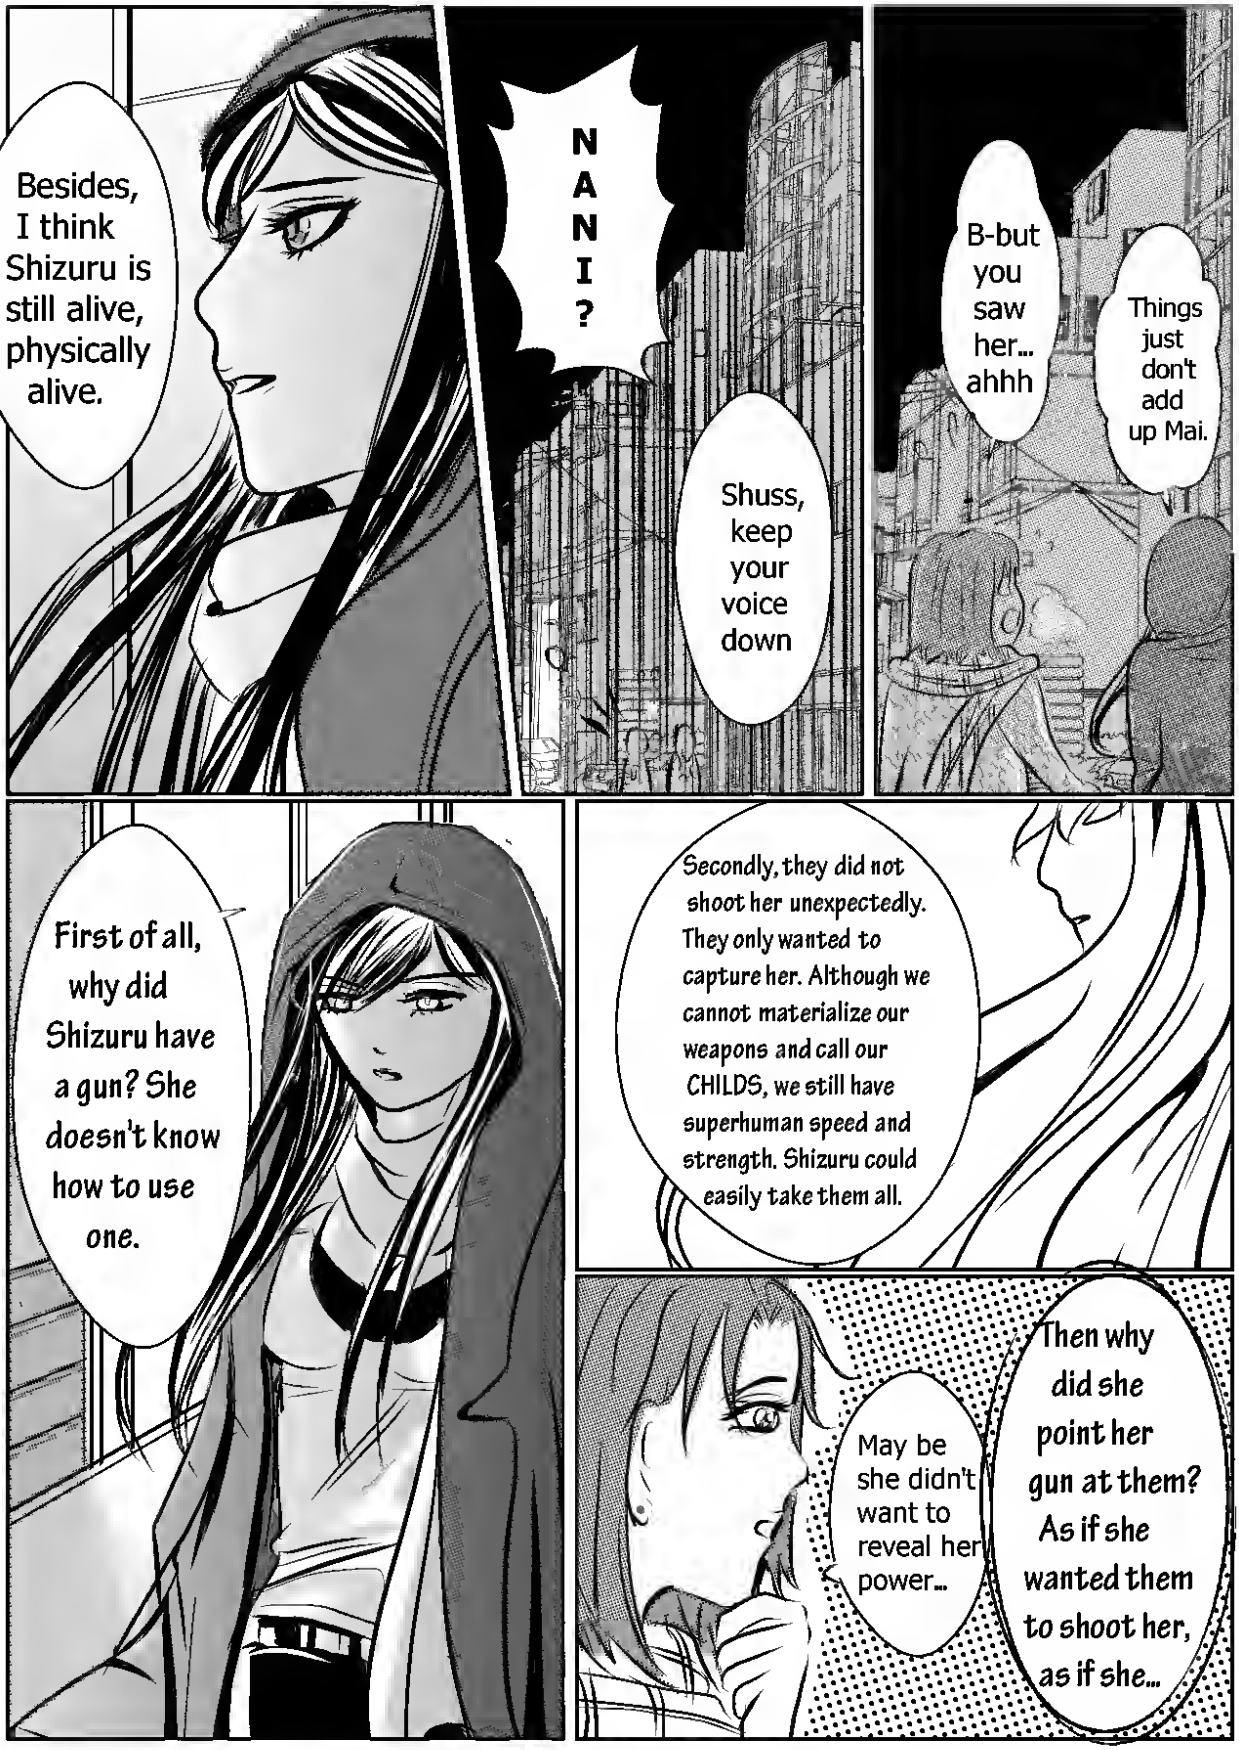
It didn't help the situation when Shizuru pointed her gun at them
You could shoot anywhere but you chose her heart, twice. And now SHE'S GONE. DEAD!
Buh-But she was going to kill us.
WHY THE HELL DID YOU HAVE TO SHOOT HER ???
Mission Accomplished. I'll make some calls to clean up the death of Fujino Shizuru.
At least now we know that the Himes have completely lost their powers
Wait, Natsuki! Does that mean the First District was onto all of us?

You wanted to test if we still have our powers? Then why? Why only Shizuru?
She lived alone, and she was finishing her semester so noone would suspect anything if she went missing for a month
Besides, the First District still hold a grudge against her. Aside from testing her power, they wanted to punish her
But our main goal was to test your powers. If you still had them, we would then proceed to the next step: eliminating immoral Himes and forming alliance with the others.
I see ...
Tell me everything you know about the teal hair girl, your supervisor.
So your theory was correct, I823 shot Shizuru. But now he's no different from an innocent man because he has lost all of his memories.

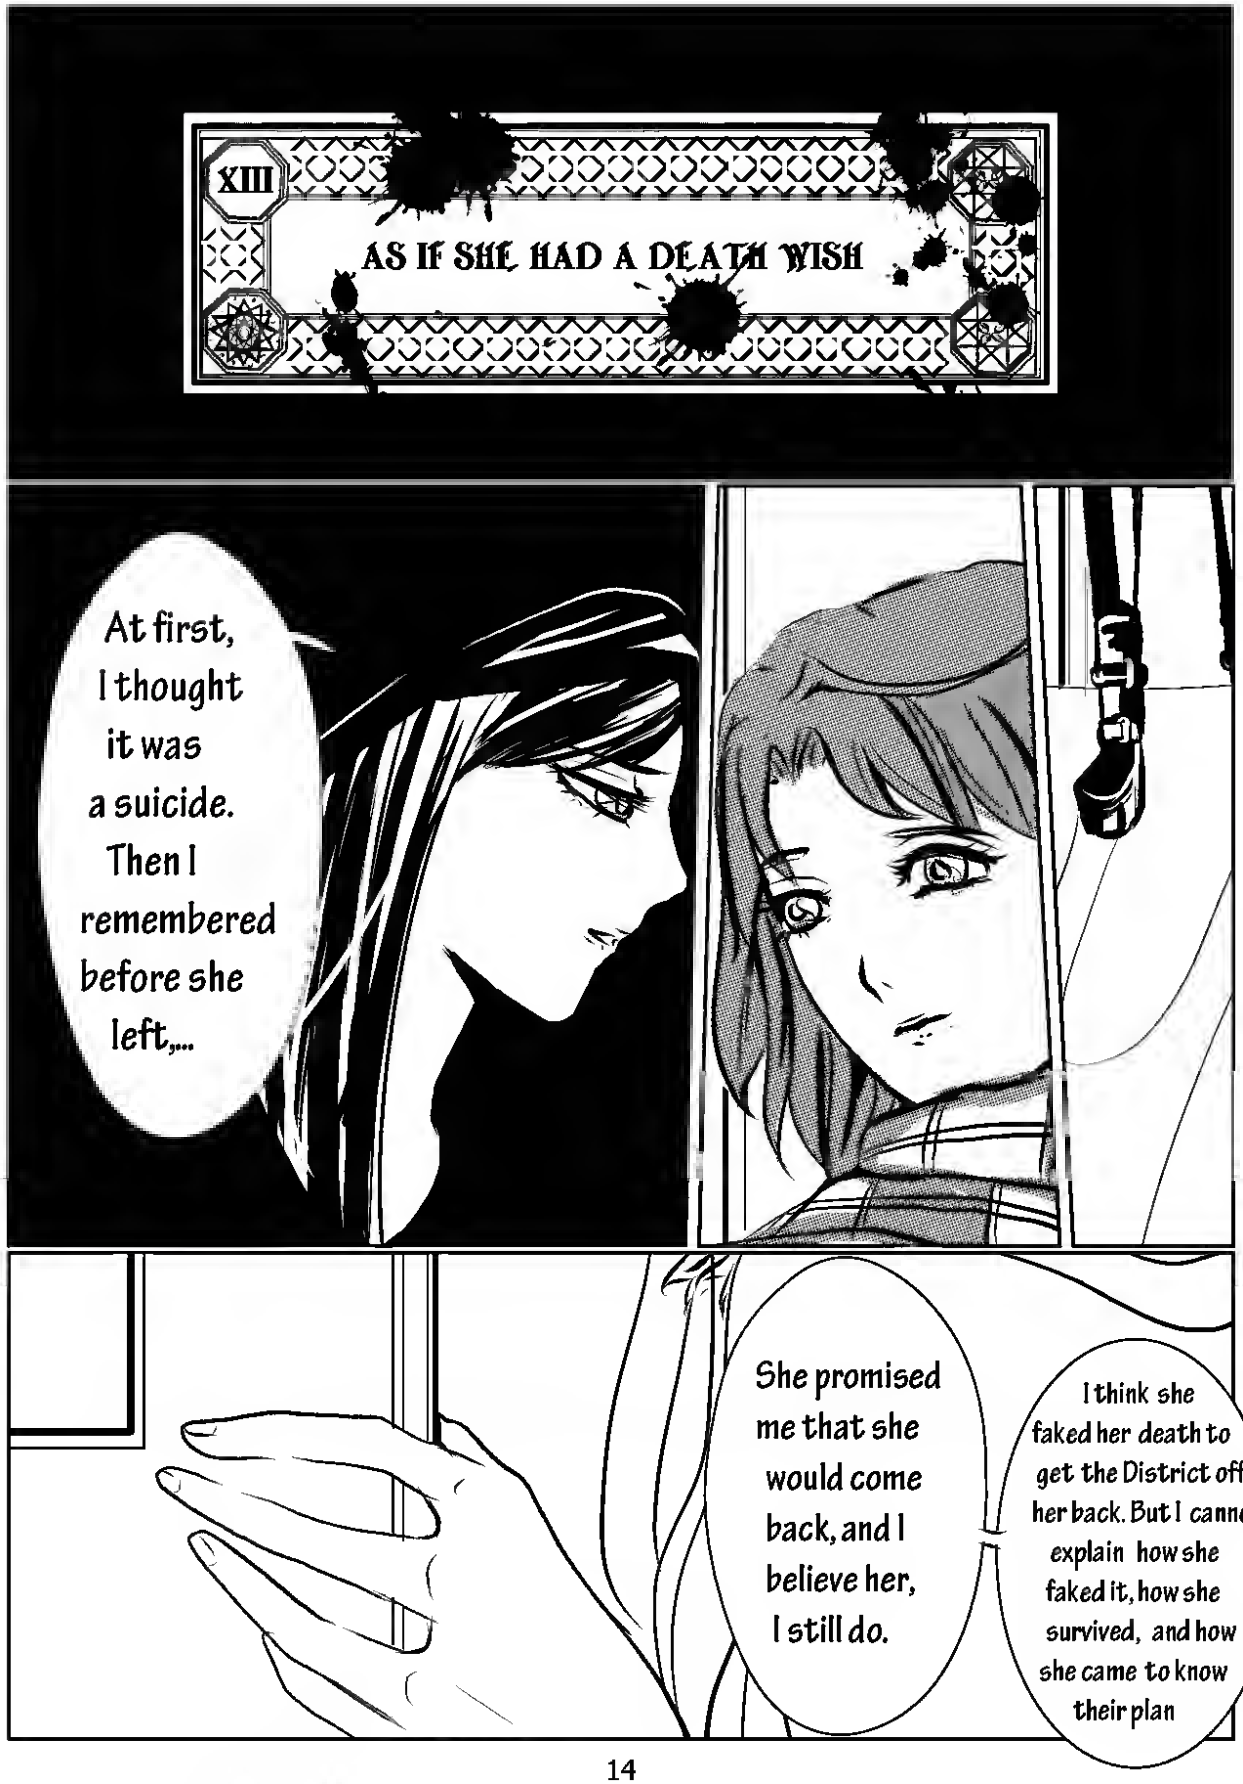
Are you going to seek revenge on Shizuru's girlfriend instead Natsuki?
IT'S NOT LIKE SHE KILLED SHIZURU-SAN. PLEASE LIVE FOR YOURSELF NATSUKI!
I know where she is, and I'll find her, Tomoe Hinagiku
THEN WHAT? WHAT WILL YOU DO AFTER YOU GET YOUR REVENGE?
Eversince that day... Natsuki has rarely shown any emotions...
She smiled to us from time to time, but the smiles have never reached her eyes.
It's only when Shizuru-san's name is spoken, Natsuki's eyes would soften.
Revenge gives her a sense of purpose, the will to live.
Once she get her revenge ...I'm afraid...



"No Mai. It wasn't revenge that gave me the will to live, it was Shizuru"
"You see.... Shizuru is always alive, as long as I live."
Kami...
Please...Bring Natsuki happiness
She deserves it more than anyone...
Always here.



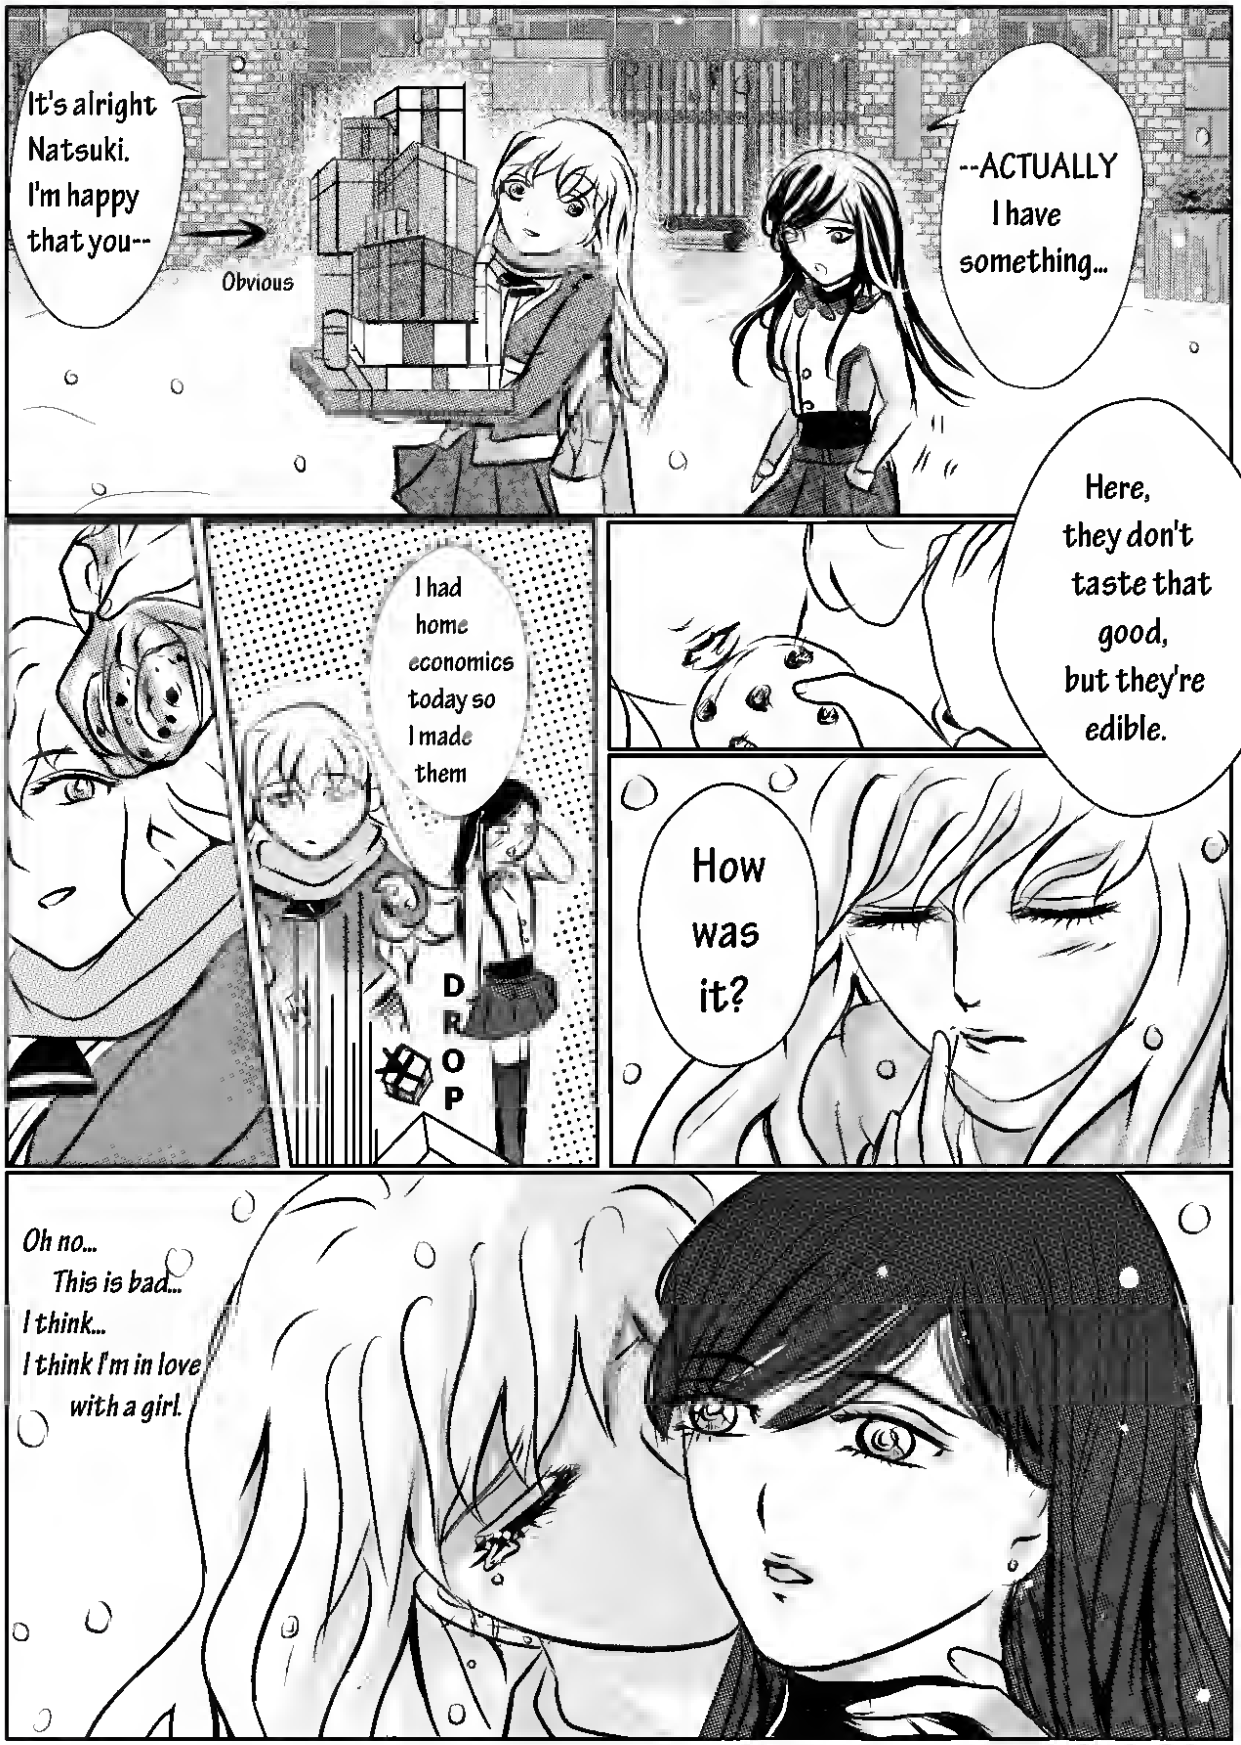
Besides, I think Shizuru is still alive, physically alive.
NANI?
Shuss, keep your voice down
B-but you saw her... ahhh
Things just don't add up Mai.
First of all, why did Shizuru have a gun? She doesn't know how to use one.
Secondly, they did not shoot her unexpectedly. They only wanted to capture her. Although we cannot materialize our weapons and call our CHILDS, we still have superhuman speed and strength. Shizuru could easily take them all.
May be she didn't want to reveal her power...
Then why did she point her gun at them? As if she wanted them to shoot her, as if she...



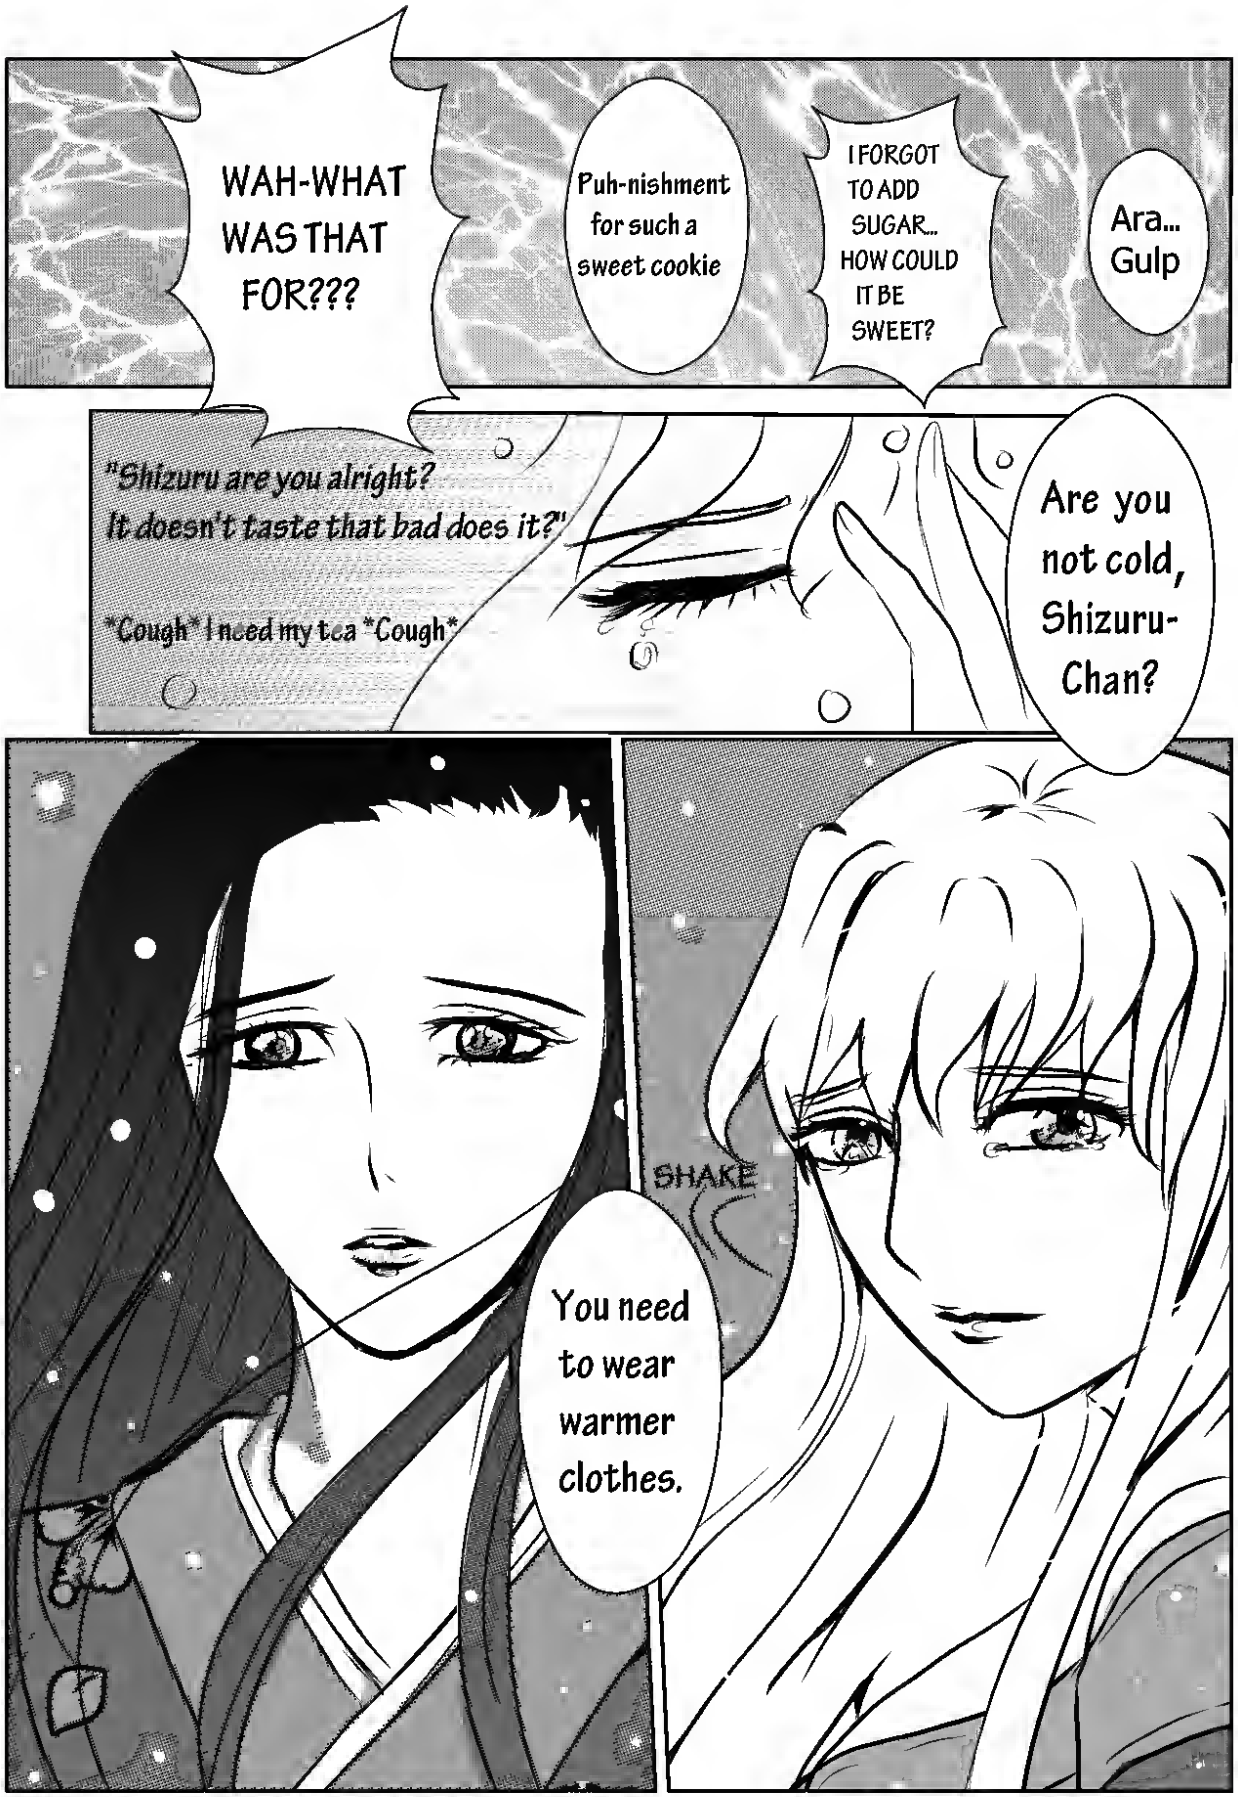
XIII
AS IF SHE HAD A DEATH WISH
At first, I thought it was a suicide. Then I remembered before she left,...
She promised me that she would come back, and I believe her, I still do.
I think she faked her death to get the District off her back. But I cannot explain how she faked it, how she survived, and how she came to know their plan

But may be it's just a wishful thinking....may be Shizuru...
I think you're right Natsuki. Shizuru-san is alive, she must be ....
I mean, she's a Hime after all
You really think so?
Absolutely! Oh, but why are you going after Hinagiku-san then?
Um...I'm just following a lead to find Shizuru.
Besides, I want to beat that girl senseless for bestraying Shizuru!
Are you sure you're not jealous Natsuki?
O-Of course not !!
Since when have you become so smart and strategic ?
What do you mean by "Since when"?
You're so full of annoying questions Mai!
What are you gonna do with the bald man? He knows we have powers.
I'll have his memories erased by the First District's drug I stole before.

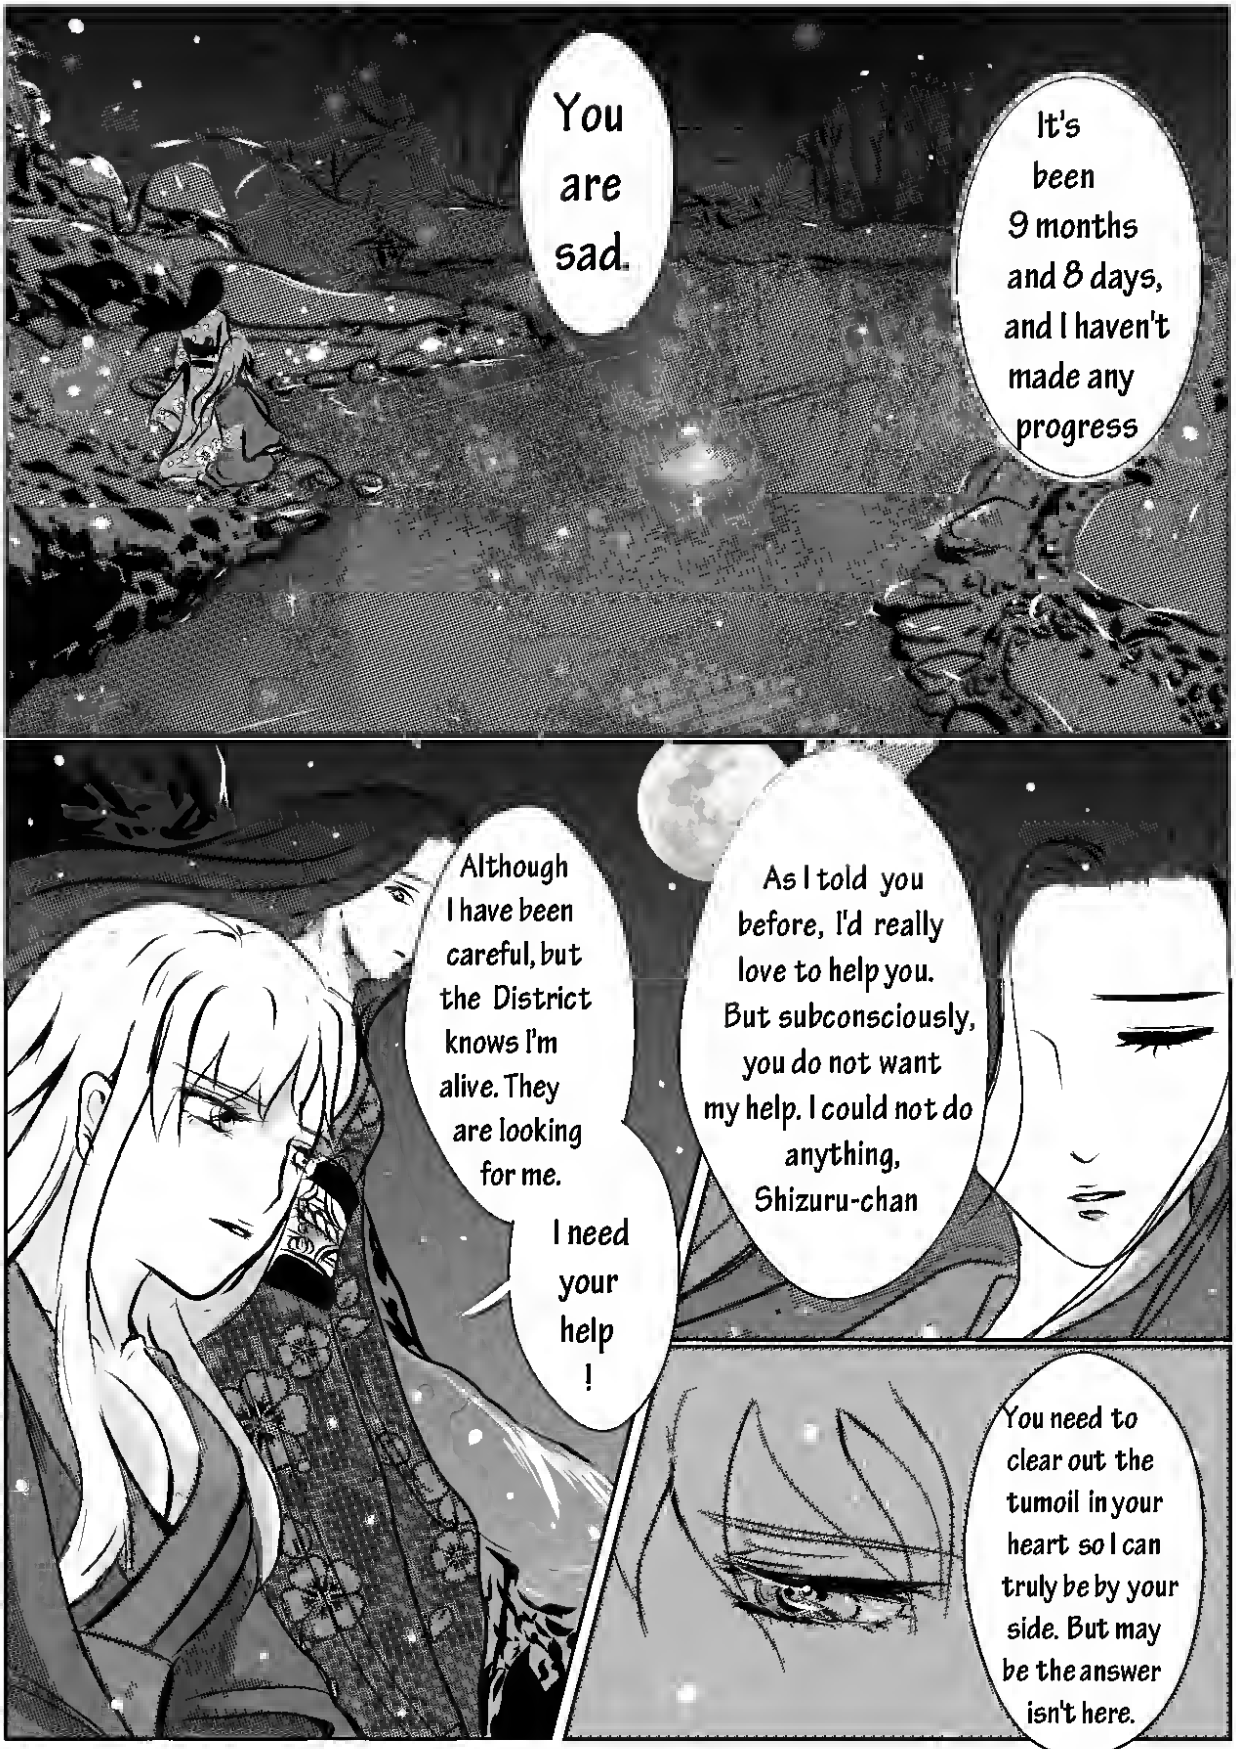
It's snowing! Finally.
Shizuru, wait!
Ah, hello Natsuki.
Sorry, I didn't know it was your birthday today, well untill I saw the obvious.



It's alright Natsuki. I'm happy that you--
Obvious
--ACTUALLY I have something...
I had home economics today so I made them
DROP
Here, they don't taste that good, but they're edible.
How was it?
Oh no... This is bad... I think... I think I'm in love with a girl.



WAH-WHAT WAS THAT FOR???
Puh-nishment for such a sweet cookie
I FORGOT TO ADD SUGAR... HOW COULD IT BE SWEET?
Ara... Gulp
"Shizuru are you alright? It doesn't taste that bad does it?"
Cough I need my tea *Cough*
Are you not cold, Shizuru-Chan?
SHAKE
You need to wear warmer clothes.



You are sad.
It's been 9 months and 8 days, and I haven't made any progress
Although I have been careful, but the District knows I'm alive. They are looking for me.
I need your help !
As I told you before, I'd really love to help you. But subconsciously, you do not want my help. I could not do anything, Shizuru-chan
You need to clear out the tumoil in your heart so I can truly be by your side. But may be the answer isn't here.

You don't have to travel this far to see me, Shizuru-chan.
I know, but I'm also here because I miss your company, I miss a friend to talk to.
I'm happy that you see me as a friend. But it's morning and I have to leave. Will you be here tonight?
I cannot be in one place for too long, Kiyo, I must leave in a few hours.
That's a pity. I hope it won't take you too long to resolve your own problems so I can be there everytime you call my name. Goodbye, Shizuru-chan
I hope so too, Kiyo HIME .
